

b.) Remarks

In the Advisory Action dated October 27, 2005, the Examiner indicated the proposed amendment filed September 28, 2005 would not be entered because it raises new issues that would require further consideration and/or search (Item 3(A)) due to newly submitted claim 71.

This issue has been addressed by the above cancellation of claim 71.

Claims 42-70 remain presented for continued prosecution.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
